## A message from Mr Meredith

It's been a blustery and windy end to the week here at school which has caused a little disruption at playtimes and PE lessons as balls and equipment have been blown off course in the middle of games and activities! We have continued to reflect on our Value of the term, Inclusion, and learnt about Dr Martin Luther King in assembly and his work to end prejudice. Our children are fantastic at including everyone and have demonstrated this in welcoming some new pupils to our school this term.

Although it is only the end of January, the nights do seem to be drawing out a little and there are even shoots from bulbs poking through in various planters around school suggesting Spring isn't far away.

# LoveReading

**4 KIDS BUY BOOKS CHANGE LIVES**

**Want to support our school?**

**Buy books through LoveReading and LoveReading4Kids and we get 25% of the cover price to buy more books!**

The LoveReading family — [LoveReading](#), [LoveReading4Kids](#) and [LoveReading4Schools](#) — exists because reading matters, and books change lives.

We know that reading for pleasure, and improving reading standards, has a huge impact on our children's wellbeing, academic achievements, and future success.

Alongside that, we also know that the current funding crisis has resulted in devastating cuts to budgets in our schools, which is why LoveReading is redressing that shortfall through creating an online bookstore with social purpose.

### **Buy books, change lives - how it works**

- When you buy any book from [LoveReading](#) or [LoveReading4Kids](#), 25% of the cover price will be given to a school of your choice, such as us!
- Book prices are competitive with at least 10% off the RRP
- After you've searched for the books you'd like to buy (after reading reviews and accessing opening extracts of highly recommended titles), at checkout, you'll be able to search for your school, by adding your school name or postcode, and you allocate that money to us. It will even tell you how much your purchase has donated to us!
- We can then spend our allocated funds on LoveReading4Kids to get more books in our classrooms and library.

### **Buy books, change lives - what to do**

LoveReading has a huge selection of books for all ages, across all genres, at competitive prices, so make LoveReading and LoveReading4Kids your go-to bookshops to give our school the chance to access more books.

Sounds like a win-win situation - you get great books, while we get funds for great books to encourage even more reading for pleasure in our children.

Like we said at the start, reading matters and books change lives - buying books through LoveReading will ensure that continues to happen for students at our school, and future generations.

Thank you for your ongoing support!
