A message from Mrs Sargent

Once again, this week, our pupils have demonstrated why they are so wonderful by representing our school brilliantly on the Year 6 residential trip at the PGL centre in Liddington. We are so proud of how they have faced their fears on the activities such as climbing, slept away from home, many for the first time, and independently looked after themselves. They have shown resilience, determination and friendship to others throughout the trip too.

Thanks too, to the staff members who gave up their time to plan the trip and take the children away enabling such a fantastic experience.

Have a great weekend!

Our Y5/6 girls triumphed at last week's North Somerset netball tournament and are now the Large Schools North Somerset netball champions. The girls played with determination and skill to win all games in the tournament and only conceded a few goals across the morning. They beat Golden Valley in the final game to progress as champions to the West of England Games finals!

This is the 3rd year in a row that we have been crowned NS champions - thanks so much to Bex for all her coaching input!
